Q2] ANSWER:-

I use following tools for content writing,

i) Notion :- I write my temporary script here and all the stuff that flows through my brain. Then, I read through the whole script and cut down the unnecessary stuff here itself.

ii) Hemingway Editor :- I paste my temporary script in hemingway editor to scan everything.

iii) Quillbot :-I use it for paraphrasing my stuff with better synonyms for the same content

Q3] ANSWER:-

EVENT REPORT

Name of Event :- ML Talks – Season 2

Date and Time of Event :- 30 November 2021, 8 pm(IST)

Speakers :- a) Aayush Mishra(ML Lead)
b) Jackson Sondi(ML Co- Lead)

Contact :- dscvitbhopal@gmail.com

Summary

On November 30, 2021, an amazing session including Aayush Mishra (ML Lead) and Jackson Sondi (ML Co-Lead) as speakers was held.

- i) We learned about Kaggle and how to use it to get datasets in this session.
- ii) Investigated Kaggle's inner workings and learned how to use it to learn data science.
- iii) We also learned about Kaggle's features, such as the discussion tab and how to use the rankings system.
- iv) We comprehended the platform's ideals and how we might push ourselves to climb the rankings in a healthy manner.

Python was utilised extensively during the event because it is the chosen language for machine learning.

Finally, the speakers addressed doubts about machine learning, and the event came to a close.
